## EDUCATION

---

### INSTITUT TEKNOLOGI TELKOM PURWOKERTO

Purwokerto, Central Java

*Bachelor of Information Systems*

*2019 – 2023*

- Cumulative GPA: **3.8/4.0**; Dean's List multiple semesters
- Relevant coursework: Software Engineering, Database Systems, System Analysis and Design, Project Management, AI Fundamentals, Data Structures

## WORK EXPERIENCE

---

### BOSNET DISTRIBUTION INDONESIA

South Jakarta, Indonesia

*Project Manager | AI Portfolio Lead*

*Aug 2025 – Present*

- Lead 3 concurrent AI projects (Computer Vision, Conversational AI, OCR); aligned roadmaps to business KPIs across 3 product squads
- Reduced AI model iteration cycle time by **30%** through structured sprint planning, daily standups, and back-log grooming
- Coordinate cross-functional team of 6 AI engineers, 4 software engineers, and 2 business stakeholders; cut project turnaround by **25%**
- Improved model accuracy by **15%** on average per project by defining evaluation metrics and driving continuous retraining workflows
- Integrated AI automation into 2 legacy business processes; reduced manual processing time by **40%** and operational cost by **20%**

### BRAINCODE SOLUTION

Jakarta Selatan, Indonesia

*Project Manager | UI/UX Designer*

*Mar 2023 – Jul 2025*

- Delivered **10+ client projects** on time and within scope over 2.5 years; maintained **95% on-time delivery rate**
- Led end-to-end SDLC for Fault Management systems serving major telecom clients; achieved zero-major-defect releases across 3 deployments
- Reduced post-release defect rate by **35%** by implementing structured QA workflows with test plans and UAT coordination
- Conducted user research with **50+** end users; translated findings into wireframes and high-fidelity UI designs in Figma
- Managed project budgets averaging **USD 15K–50K**; tracked scope, risks, and change requests to keep all projects within 5% of budget

### NIAGAHOSTER — WEB HOSTING UNLIMITED INDONESIA

Sleman, Yogyakarta, Indonesia

*UI/UX Designer Virtual Intern*

*Sep 2022 – Oct 2022*

- Redesigned 3 core product flows in Figma; improved task completion rate by an estimated **20%** based on usability testing

### MAJAPAHIT

Cakung, Jakarta, Indonesia

*System Analyst Intern*

*Aug 2022 – Sep 2022*

- Authored **4 technical specification docs** (BRD, FRD) and data-flow diagrams that reduced engineering rework by **20%**

### INSTITUT TEKNOLOGI TELKOM PURWOKERTO

Purwokerto, Central Java, Indonesia

*Student Staff – IT & Communications*

*Oct 2020 – Jul 2022*

- Maintained institutional website and managed weekly content across 3 social channels; increased student engagement by **25%**
- Coordinated communications between faculty and **200+** students; reduced email response time by **40%** via a ticketing system

## PROJECTS & ACTIVITIES

---

### FAULT MANAGEMENT SYSTEM (TELECOM)

Jakarta, Indonesia

*Project Manager, Braincode Solution*

*2023 – 2025*

- Delivered enterprise Fault Management platforms for major telecom operators; served **1M+** end users and met 99.9% uptime SLA

### AI VISION PILOT

South Jakarta, Indonesia

*Project Lead, Bosnet Distribution Indonesia*

*2025*

- Stood up a Computer Vision pilot from ideation to production in 12 weeks; achieved **92% model accuracy** on validation set

### HACKATHON POPVOTE

Indonesia

*Winner*

*2025*

- Won out of **50+ teams** with an end-to-end product prototype judged on UX, technical feasibility, and business impact

### INTERNATIONAL MODEL UNITED NATIONS (MUN)

Online

*Campus Ambassador & Country Delegate*

*Aug 2021 – Sep 2021*

- Promoted an international online conference to **100+ students**; represented a country as delegate in policy debate simulations

### ADDITIONAL

---

**Technical Skills:** SDLC, Agile/Scrum, Sprint Planning, Backlog Grooming, Risk Management, Stakeholder Management, JIRA, Confluence, Notion, Microsoft Project, Figma, Miro, Balsamiq, SQL, AI/ML Fundamentals (Computer Vision, NLP, OCR), Data Flow Diagramming, System Modeling

**Languages:** Indonesian (Native / Bilingual) | English (Limited Working)

**Certifications:** International Model UN Online Conference 70.0 | Computer Programming For Everyone | Pemasaran Digital dan Pengembangan Usaha
